WASHINGTON, D.C. â A part of President Obamaâ s commitment to fulfilling this nationâ s trust responsibilities to American Indians and Alaska Natives, the Office of the Secretary of the Interior will have the Secretarial Commission on Indian Trust Administration and Reform participating in a live radio-broadcast talk show on Wednesday, June 13, 2012. The Secretarial Commission on Indian Trust Administration and Reform is tasked with moving forward on their comprehensive evaluation of Interiorâ s management and administration of the nearly \$4 billion in trust assets. The Commission is charged with providing recommendations to the Secretary of the Interior at the end of their two-year tenure on how best to improve the Departmentâ s trust management and administration. Building upon the progress made with the historic Cobell Settlement, the Commission will help establish a new era of trust administration, stressing responsive, customer-friendly, accountable and transparent management of these substantial funds and assets. Three of the five members of the Commission will be participating in the live radio-broadcast talk show. Please tune in to the program on-line at www.nativeamericacalling.com.
